Index to the Hawaii Medical Journal
Volume 57, 1998

Compiled by Marlene M. Ah Heong and Carolyn S.H. Ching of the Hawaii Medical Library

Keyword Index

ACQUIRED IMMUNODEFICIENCY SYNDROME. Gradual loss of IgG antibodies against GB virus C/hepatitis G virus in a patient with AIDS [Harry L. Arnold Jr. MD case of the month], 57(12): 733

ALTERNATIVE MEDICINE. Interest in alternative medicine by first year medical students at the John A. Burns School of Medicine [Medical school hotline], 57(7):553

AMERICAN MEDICAL ASSOCIATION. President's message, 57(1):370

ANGIOSTRONGYLUS CANTONENIS. Eosinophilic meningitis/angiostrongyliasis from eating aquaculture-raised snails: a case report [Harry L. Arnold Jr. MD case of the month], 57(10):652

ASBESTOS. A quantitative study of environmental asbestos exposure in Honolulu, 57(6):536

ASBESTOSIS. A quantitative study of environmental asbestos exposure in Honolulu, 57(6):536

ATHLETIC INJURIES. Common sports injuries seen by the primary care physician part II: lower extremity, 57(5):502

ATTITUDE TO DEATH. Do Hawaii residents support physician-assisted death? a comparison of five ethnic groups, 57(6):529

ATTITUDE TO HEALTH. Interest in alternative medicine by first year medical students at the John A. Burns School of Medicine [Medical school hotline], 57(7):553

BRAIN INJURIES. Guest editor, 57(9):605

— [Governor's proclamation], 57(9):609

— Deep pockets or blueprint for change: traumatic brain injury (TBI) proactive strategy, 57(9):611

— Vocational rehabilitation of people with traumatic brain injury, 57(9):618

— Hawaii neuropsychology program gets results: the nuts and bolts of neurotraining, 57(9):625

— Phantom loss of function in traumatic brain injury, 57(9):629

— [Legislature proclamation], 57(9):634

BRAIN INJURY AWARENESS MONTH. [Governor's proclamation], 57(9):609

— [Legislature proclamation], 57(9):634

CHILD. Accidental poisoning in children with special reference to kerosene poisoning. 1951 [classical article], 57(3):433

— Clinical pearls in pediatric toxicology: a systematic approach to the poisoned child, 57(3):445

CHILD ABUSE. Achieving better outcomes for Hawaii's children, 57(9):617

CHILD WELFARE. Achieving better outcomes for Hawaii's children, 57(9):617

CHOLANGIOPANCREATOGRAPHY, ENDOSCOPIC RETROGRADE. CT demonstration of a pancreatic duct stricture and obstructive pancreatitis with ERCP and intraoperative correlation [Harry L. Arnold Jr. MD case of the month], 57(3):431

COMMUNICATIONS MEDIA. What's new in medical communication? 1998 [classical article], 57(12):729

COMMUNITY HEALTH PLANNING. Deep pockets or blueprint for change: traumatic brain injury (TBI) proactive strategy, 57(9):611

CONFIDENTIALITY. 10 common medicolegal questions on HIV infection, 57(5):507

CONGRESSES. 141st HMA annual meeting, 57(1):387

— Primary care update: highlights of the HMA scientific session, 57(1):388

— 1997 HMA annual meeting and presidential inauguration, 57(1):390

CONTRACEPTIVES, ORAL. Noncontraceptive health benefits of the oral contraceptive pill, 57(8):591

COST SAVINGS. A possible solution to the cost explosion of the emergency department, 57(2):404

COSTS AND COST ANALYSIS. The Hawaii Poison Center: what's it worth to you?, 57(3):451

COUNSELING. Clinical techniques in crisis intervention: emergency counseling in cases of acute poisoning, 57(4):474

COVER ILLUSTRATIONS. Chanter, 57(1):367

— Makoa, 57(2):397

— Maile, 57(3):423

— He'e, 57(4):467

— E hula e, 57(5):491

— E wa'a e, 57(6):523

— 'O he'e, 57(7):547

— Maui snaring the sun, 57(8):575

— Kipahulu, 57(9):603

— E Pele e, 57(10):643

— Leho he'e, 57(11):683

— Wa'a kaulua, 57(12):723

CRISIS INTERVENTION. Clinical techniques in crisis intervention: emergency counseling in cases of acute poisoning, 57(4):474

CROSS-CULTURAL COMPARISON. Prenatal care utilization in Hawaii: did it improve during the last 16 years?, 57(2):412

— Do Hawaii residents support physician-assisted death? a comparison of five ethnic groups, 57(6):529

CURRICULUM. Evidence-based medicine: educating physicians in the science behind the art [Medical school hotline], 57(2):402

DELIVERY OF HEALTH CARE. What do we want to be? a health care industry or the profession of medicine? [President's message], 57(5):493

—The socialization of health care, slice by slice. 1998 [classical article], 57(5):496

DIAGNOSIS. Phantom loss of function in traumatic brain injury, 57(9):629

— Laparoscopic staging of malignant disease, 57(11):705

— Diagnosis and management of female urinary incontinence, 57(12):746

DIAGNOSIS, DIFFERENTIAL. Chronic meningococcemia mimicking acute rheumatic fever [Harry L. Arnold Jr. MD case of the month], 57(8):583

DIAGNOSTIC ERRORS. Phantom loss of function in traumatic brain injury, 57(9):629

DIETARY SUPPLEMENTS. The effects of ArginMax, a natural dietary supplement for enhancement of male sexual function, 57(12):741

DIRECT SERVICE COSTS. A possible solution to the cost explosion of the emergency department, 57(2):404

DOMESTIC VIOLENCE. Pity and compassion are not enough, 57(9):616

EDITORIALS. Editorials, 57(1):369

— Mahalo to Elizabeth M. Adams MD [Editorial], 57(2):401

— March special issue [Editorial], 57(3):425

— Clinical toxicology and the Hawaii Poison Center [Guest editors], 57(3):425

— Editorials, 57(4):469

— Socialization of healthcare/slice by slice [Editorial], 57(5):493

— Governor's blue-ribbon panel on living and dying with dignity [Editorial], 57(6):525

— Pain management: recommendations of the Governor's Blue Ribbon Panel on living and dying with dignity. [Editorial], 57(7):549

— City honors our editor [Editorial], 57(8):577

— "silent epidemic": traumatic brain injury [Editorial], 57(9):605

— Guest editor, 57(9):605

— Pity and compassion are not enough, 57(9):616

— Editorial, 57(10):645

— Change in medical care has come too fast. 1998 [classical article], 57(10):650

— Editorial, 57(11):685

— Editorial, 57(12):725

— What's new in medical communication? 1998 [classical article], 57(12):729

EDUCATION, MEDICAL. The impact of changes in medical care on medical education [Medical school hotline], 57(1):375

— Evidence-based medicine: educating physicians in the science behind the art [Medical school hotline], 57(2):402

— role of geriatric psychiatry in medical education [Medical school hotline], 57(3):429

— Fund-raising for medical education [Medical school hotline], 57(4):470

— Emergency medicine in the problem-based learning curriculum [Medical school hotline], 57(5):495

EDUCATION, MEDICAL, GRADUATE. Military unique curriculum [Military medicine], 57(1):372

— Hawaii benefits from graduate medical education [Medical school hotline], 57(11):686

EDUCATIONAL MEASUREMENT. An update on the USMLE performance of medical students at the John A. Burns School of Medicine and computer-based testing [Medical school hotline], 57(10):646

EMERGENCIES. Clinical techniques in crisis intervention: emergency counseling in cases of acute poisoning, 57(4):474

EMERGENCY MEDICAL SERVICES. Tripler's emer-

gency medical response team [Military medicine], 57(3):427
— Christmas Island rescue: a true story [Military medicine], 57(5):497
EMERGENCY MEDICINE. Emergency medicine in the problem-based learning curriculum [Medical school hotline], 57(5):495
EMERGENCY SERVICE, HOSPITAL. A possible solution to the cost explosion of the emergency department, 57(2):404
ENDOSCOPES. A laparosopic update, 57(11):683
ENVIRONMENTAL EXPOSURE. A quantitative study of environmental asbestos exposure in Honolulu, 57(6):536
ENVIRONMENTAL HEALTH. William Crawford Gorgas he set the standard of military preventive medicine, 57(1):377
EOSINOPHILIA. Eosinophilic meningitis/angiostrongyliasis from eating aquaculture-raised snails: a case report [Harry L. Arnold Jr. MD case of the month], 57(10):652
EPIDEMIOLOGY. Epidemiology of congenital diaphragmatic hernia, Hawaii, 1987-1996, 57(8):586
EVIDENCE-BASED MEDICINE. Evidence-based medicine: educating physicians in the science behind the art [Medical school hotline], 57(2):402
FACULTY, MEDICAL. The John A. Burns School of Medicine (JABSOM) status report on finances and contributions [Medical school hotline], 57(6):527
FINANCIAL SUPPORT. The John A. Burns School of Medicine (JABSOM) status report on finances and contributions [Medical school hotline], 57(6):527
FRAUD. Federal fraud enforcement: why you should have an effective compliance plan [President's message], 57(2):401
FUND RAISING. Fund-raising for medical education [Medical school hotline], 57(4):470
GERIATRIC PSYCHIATRY. The role of geriatric psychiatry in medical education [Medical school hotline], 57(3):429
GOLDSTEIN, NORMAN. City honors our editor [Editorial], 57(8):577
GORGAS, WILLIAM C. William Crawford Gorgas: he set the standard of military preventive medicine, 57(1):377
HAWAII. Herbal medicines in Hawaii from tradition to convention, 57(1):382
— Prenatal care utilization in Hawaii: did it improve during the last 16 years?, 57(2):412
— Do Hawaii residents support physician-assisted death? a comparison of five ethnic groups, 57(6):529
— Epidemiology of congenital diaphragmatic hernia, Hawaii, 1987-1996, 57(8):586
— Achieving better outcomes for Hawaii's children, 57(9):617
— Cancer pain guidelines: are they being used? results of a multi-site study conducted by the Hawaii Cancer Pain Initiative, 57(10):655
— Hawaii benefits from graduate medical education [Medical school hotline], 57(11):686
HAWAII MEDICAL ASSOCIATION. President's message, 57(1):370
— 141st HMA annual meeting, 57(1):387
— Primary care update: highlights of the HMA scientific session, 57(1):388
— 1997 HMA annual meeting and presidential inauguration, 57(1):390
— Happy Halloween, 57(1):391
— Federal fraud enforcement: why you should have an effective compliance plan [President's message], 57(2):401
— President's message, 57(3):426
— Council highlights, 57(3):457
— President's message, 57(4):469
— Council highlights, 57(4):482
— What do we want to be? a health care industry or the profession of medicine? [President's message], 57(5):493
— Council highlights, 57(5):513
— President's message, 57(7):550
— Managed care concerns [President's message], 57(8):581
— Council highlights, 57(8):593
— Where do we go from here? [President's message], 57(10):645
— President's message, 57(12):725
HAWAII MEDICAL LIBRARY. Editorial, 57(10):645
HAWAII MEDICAL SERVICE ASSOCIATION. President's message, 57(12):725
HAWAII POISON CENTER. Clinical toxicology and the Hawaii Poison Center [Guest editors], 57(3):425
— Who calls the Hawaii Poison Center?, 57(3):437
— Hawaii Poison Center forty years of saving lives and health costs, 57(3):440
— Hawaii Poison Center: what's it worth to you?, 57(3):451
— Hawaii Poison Center data reveals a need for increasing hazard awareness about household products, 57(4):476
— "Inside 'da poison center", 57(4):479
HAWAII STATE HOSPITAL. Admissions, length of stay, and discharge barriers at the Hawaii State Hospital, 57(7):561
— neuropsychology department at Hawaii State Hospital, 57(9):624
HEALTH CARE COSTS. Hawaii Poison Center forty years of saving lives and health costs, 57(3):440
— socialization of health care, slice by slice. 1998 [classical article], 57(5):496
— Deep pockets or blueprint for change: traumatic brain injury (TBI) proactive strategy, 57(9):611
HEALTH EDUCATION. Hawaii Poison Center data reveals a need for increasing hazard awareness about household products, 57(4):476
HEALTH SERVICES ACCESSIBILITY. Prenatal care utilization in Hawaii: did it improve during the last 16 years?, 57(2):412
HEALTH SYSTEMS PLANS. UH med school's plan. 1998 [classical article], 57(8):578
HEPATITIS AGENTS, GB. Gradual loss of IgG antibodies against GB virus C/hepatitis G virus in a patient with AIDS [Harry L. Arnold Jr. MD case of the month], 57(12): 733
HEPATITIS C, CHRONIC. Interferon alpha-2b in the treatment of chronic hepatitis C: early experience, 57(12):735
HERNIA, DIAPHRAGMATIC. Epidemiology of congenital diaphragmatic hernia, Hawaii, 1987-1996, 57(8):586
HERNIA, INGUINAL. Laparoscopic inguinal herniorrhaphy: the new gold standard of hernia repair, 57(11):700
HISTORY OF MEDICINE. William Crawford Gorgas he set the standard of military preventive medicine, 57(1):377
— Hawaii Poison Center forty years of saving lives and health costs, 57(3):440
— [re: physician assisted suicide], 57(8):577
— laparosopic update, 57(11):683
HIV INFECTIONS. 10 common medicolegal questions on HIV infection, 57(5):507
HONOLULU. A quantitative study of environmental asbestos exposure in Honolulu, 57(6):536
HOSPITAL COMMUNICATION SYSTEMS. What's new in medical communication? 1998 [classical article], 57(12):729
HOSPITALS, PSYCHIATRIC. Admissions, length of stay, and discharge barriers at the Hawaii State Hospital, 57(7):561
HOUSEHOLD PRODUCTS. Hawaii Poison Center data reveals a need for increasing hazard awareness about household products, 57(4):476
IGG. Gradual loss of IgG antibodies against GB virus C/hepatitis G virus in a patient with AIDS [Harry L. Arnold Jr. MD case of the month], 57(12): 733
IMI HO'OLA. Commitment to "diversity" [Medical school hotline], 57(8):580
IMPOTENCE. The effects of ArginMax, a natural dietary supplement for enhancement of male sexual function, 57(12):741
INDEX. Index to the Hawaii Medical Journal, volume 57, 1998, 57(12):753
INFORMATION SYSTEMS. The selected information sources on poisoning and toxicology, 57(3):455
— What's new in medical communication? 1998 [classical article], 57(12):729
INTERFERON ALPHA-2B. Interferon alpha-2b in the treatment of chronic hepatitis C: early experience, 57(12):735
INTERNSHIP AND RESIDENCY. Military unique curriculum [Military medicine], 57(1):372
— role of geriatric psychiatry in medical education [Medical school hotline], 57(3):429
JAPANESE. Seizures in eastbound visitors to Hawaii, 57(2):408
JOHN A. BURNS SCHOOL OF MEDICINE. The impact of changes in medical care on medical education [Medical school hotline], 57(1):375
— Evidence-based medicine: educating physicians in the science behind the art [Medical school hotline], 57(2):402
— role of geriatric psychiatry in medical education [Medical school hotline], 57(3):429
— Fund-raising for medical education [Medical school hotline], 57(4):470
— Emergency medicine in the problem-based learning curriculum [Medical school hotline], 57(5):495
— John A. Burns School of Medicine (JABSOM) status report on finances and contributions [Medical school hotline], 57(6):527
— Interest in alternative medicine by first year medical students at the John A. Burns School of Medicine [Medical school hotline], 57(7):553
— UH med school's plan. 1998 [classical article], 57(8):578
— Commitment to "diversity" [Medical school hotline], 57(8):580
— Student profile: class of 2002 at the John A. Burns School of Medicine [Medical school hotline], 57(9):606
— update on the USMLE performance of medical students at the John A. Burns School of Medicine and computer-based testing [Medical school hotline], 57(10):646
JURISPRUDENCE. 10 common medicolegal questions on HIV infection, 57(5):507
KEROSENE. Accidental poisoning in children with special reference to kerosene poisoning. 1951 [classical article], 57(3):433
LAPAROSCOPY. Laparoscopic ultrasound: a valuable adjunct to laparoscopic surgery, 57(11):696
— Laparoscopic staging of malignant disease, 57(11):705
— Advanced laparoscopy: "the next generation," the adrenal, kidney, spleen, pancreas, and liver, 57(11):710
— laparosopic update, 57(11):683
LECTURES AND LECTURING. Robert T. Wong, M.D. lecture series announces speakers for 1999 [Announcement], 57(12):726
LEG INJURIES. Common sports injuries seen by the primary care physician part II: lower extremity, 57(5):502
LENGTH OF STAY. Admissions, length of stay, and discharge barriers at the Hawaii State Hospital, 57(7):561
LETTERS TO THE EDITOR. Letter to the editor, 57(1):372
— [re: doctor assisted death with dignity], 57(6):526
— [re: physician assisted suicide], 57(8):577
LEUKEMIA-LYMPHOMA, T-CELL, ACUTE, HTLV-I-ASSOCIATED. HTLV-1 associated adult T-cell leukemia in a Micronesian patient: the first reported case [Harry L. Arnold Jr. MD case of the month], 57(1):372
MALARIA. William Crawford Gorgas he set the standard

of military preventive medicine, 57(1):377
MANAGED CARE PROGRAMS. Managed care concerns [President's message], 57(8):581
— Change in medical care has come too fast. 1998 [classical article], 57(10):650
MEDICAID. The socialization of health care, slice by slice. 1998 [classical article], 57(5):496
— assessment of Hawaii QUEST medical plans performance using Medicaid HEDIS measures, 1996-1997, 57(10):662
MEDICAL AUDIT. Chart audit of inpatient treatment of schizophrenic patients: implications for development of coordinated care paths, 57(7):557
MEDICARE. The socialization of health care, slice by slice. 1998 [classical article], 57(5):496
MEDICINE, HERBAL. Herbal medicines in Hawaii from tradition to convention, 57(1):382
MENINGITIS. Eosinophilic meningitis/angiostrongyliasis from eating aquaculture-raised snails: a case report [Harry L. Arnold Jr. MD case of the month], 57(10):652
MENINGOCOCCAL INFECTIONS. Chronic meningococcemia mimicking acute rheumatic fever [Harry L. Arnold Jr. MD case of the month], 57(8):583
MICRONESIA. HTLV-1 associated adult T-cell leukemia in a Micronesian patient: the first reported case [Harry L. Arnold Jr. MD case of the month], 57(1):372
MILITARY MEDICINE. Military unique curriculum [Military medicine], 57(1):372
— William Crawford Gorgas: he set the standard of military preventive medicine, 57(1):377
— Tripler's emergency medical response team [Military medicine], 57(3):427
— Christmas Island rescue: a true story [Military medicine], 57(5):497
NEOPLASM STAGING. Laparoscopic staging of malignant disease, 57(11):705
NEOPLASMS. Cancer pain guidelines: are they being used? results of a multi-site study conducted by the Hawaii Cancer Pain Initiative, 57(10):655
— Laparoscopic staging of malignant disease, 57(11):705
NEUROPSYCHOLOGY. The neuropsychology department at Hawaii State Hospital, 57(9):624
— Hawaii neuropsychology program gets results: the nuts and bolts of neurotraining, 57(9):625
OKAMOTO, GARY. The "silent epidemic": traumatic brain injury [Editorial], 57(9):605
PAIN. Editorial, 57(10):645
PAIN, INTRACTABLE. Pain management: recommendations of the Governor's Blue Ribbon Panel on living and dying with dignity. [Editorial], 57(7):549
— Cancer pain guidelines: are they being used? results of a multi-site study conducted by the Hawaii Cancer Pain Initiative, 57(10):655
PALLIATIVE CARE. Pain management: recommendations of the Governor's Blue Ribbon Panel on living and dying with dignity. [Editorial], 57(7):549
— Cancer pain guidelines: are they being used? results of a multi-site study conducted by the Hawaii Cancer Pain Initiative, 57(10):655
PANCREATIC DUCTS. CT demonstration of a pancreatic duct stricture and obstructive pancreatitis with ERCP and intraoperative correlation [Harry L. Arnold Jr. MD case of the month], 57(3):431
PANCREATITIS. CT demonstration of a pancreatic duct stricture and obstructive pancreatitis with ERCP and intraoperative correlation [Harry L. Arnold Jr. MD case of the month], 57(3):431
PATIENT ADMISSION. Admissions, length of stay, and discharge barriers at the Hawaii State Hospital, 57(7):561
PATIENT COMPLIANCE. Prenatal care utilization in Hawaii: did it improve during the last 16 years?, 57(2):412
PATIENT DISCHARGE. Admissions, length of stay, and discharge barriers at the Hawaii State Hospital, 57(7):561
PHYSICIAN-PATIENT RELATIONS. 10 common medicolegal questions on HIV infection, 57(5):507
PHYSICIANS. William Crawford Gorgas: he set the standard of military preventive medicine, 57(1):377
PLANTS, MEDICINAL. Herbal medicines in Hawaii from tradition to convention, 57(1):382
POETRY. Transformation, 57(1):393
— Mahm, 57(5):494
— Proud father, 57(6):526
POISON CONTROL CENTERS. Who calls the Hawaii Poison Center?, 57(3):437
— Hawaii Poison Center forty years of saving lives and health costs, 57(3):440
— Hawaii Poison Center: what's it worth to you?, 57(3):451
